Summary

Software Engineering graduate from Van Lang University with a strong foundation in UI/UX design and front-end development. Experienced in using Figma to design web/mobile applications and implementing user interfaces with HTML, CSS, and ReactJS. Motivated to start my career as a **Frontend Intern**, applying creativity and technical skills to build responsive, user-friendly applications while continuously learning modern front-end technologies.

Education

Van Lang University — Bachelor of Software Engineering
2021 – 2025 | GPA: 2.9 / 4.0 | DOB: March 10, 2003
Relevant Coursework: Database Systems, Software Architecture

Experience
